Chairman's Message

It is hard to believe that we are in the middle of June, especially when we consider the current weather patterns. However, we are looking forward to Fun Day – please keep this date free to attend this special event on Hollinswood Pavilion Field – more information is in this newsletter.

I would like to take this opportunity to thank members of the Council for re-electing me as its Chairman at the Annual Meeting. I am extremely honoured and very proud to represent our Council and I promise to continue to support our area and all our residents in every way possible.

The Parish Council has some current projects and we would like your help – please take a look and contact us if you are able to help with our Community Resilience and Emergency Plan, our Climate Change Action plan or if you can help at any of our events – volunteers are always welcome.

The 2023/24 Chairman's Awards were presented to Amanda Winnall, Community Award, and to Rosie Roberts, Junior Award. If you know of anyone who lives in our Parish who goes that extra mile to support our community, please consider nominating them for the 2024/25 Awards.

I look forward to meeting many of you at our Parish Events throughout the year.

Councillor Sheenagh Unwin - Chairman 2024/25

Welcome to Randlay Valley from Bricks to Butterflies!

An oasis of calm on your doorstep

Randlay Valley is part of a green network linking central Telford to Nedge Hill and the wider countryside.

The Valley contains a variety of habitats ranging from semi-natural woodland, grassland, fen and a brook.

In 1908, Great Western Railway built 'Old Park' mineral line from Hollinswood to Randlay Valley to serve local industries.

Between 1898 and 1969, the Randlay brickworks fired 300,000 red bricks per week.

Today, when you walk through Randlay Valley, you may enjoy the huge variety of wildlife found in the different habitats.

Through the year you may see:

In Spring —
 Dingy Skipper butterflies and Bluebells

In Summer —
 Bird's Foot Trefoil and Common Spotted Orchids

Trees —
 Oak, Ash and Willow

Bench to Bench Green Spaces are Go!

The Parish Council, with support from FoHRV & TWC, has placed a number of benches in the Valley - these are on the Green and Red Routes.
