SNAC continues to provide regular sessions at the Pavilion for young adults and older. The regular weekly sessions are well attended with 6 – 8 regularly attending from our Parish. The original funding from TWC will come to an end in March 2027 and Members are aware of the need to consider the budget for the new financial year. The student placement works well.

Wizards continues to offer a well-supported after school club on a Wednesday. However, due to the provision of additional clubs and activities during the school holiday periods, there is no requirement for Wizards to continue through the holidays.

Wednesday evening Fun Hub is run by For All Foundation, who run sessions across the county. The sessions are well structure and sport focuses, although life skills are also available. The funding is provided by TWC and HaRPC to make these sessions possible.

Nova Training continue to provide a two-day a week placement. Together we are looking into options for an apprenticeship – if this is possible, this would be available from April 2027.

Barnardos offers a youth provision at Randlay Community Centre. They are a 3<sup>rd</sup> party provider and hire the hall from the Parish Council. The sessions are well attended and many of the young people have been referred to the Club.

We employ the services of Love Play Active at the Pavilion on a Friday (older young people) and on a Monday (primary age). They provide a range of activities (mainly sport related) and are well attended. We receive grants from TWC and Pride Funding towards these sessions, which also provide life skills and cookery.

### **YPP26/022 Summer Cycling**

The Parish Council provided four sessions through the summer holiday and employed Bespoke Cycling to provide a cycling learning experience. After the first session, it was well attended as the young people remembered to bring their cycling helmets. We will ask the leader if certificates can be provided to those who attended.

### **YPP26/023 GAMES DAYS**

Members reviewed the two events. The first, at Hollinswood, was well attended by local young people and a request for it to be 3 hours if takes place in the future was received. The Randlay event took place on an exceptionally hot day and this affected attendance.

There had been some questions asked as to what activities are best included in a Games Day – especially regarding the hire of inflatables. The staff also shared concerns regarding the cost of Table Football Plus.

It is unlikely that grant funding will be available for 2027 so Members took the opportunity to consider alternatives. An idea of weekly sessions throughout the Summer rather than just two events will be investigated with possible themes and costs which can be added to the Events Agenda for consideration.

### **YPP26/024 PAVILION FIELD**

Liam updated Members on the current use of the Pavilion Field. Teams are very pleased with the field following the renovation work undertaken during the summer.

The goal mouths will need more attention, due to the weather conditions, the grass seed will need to be topped up. Thanks are extended to ALS and Nobridge Limited for their contributions to the improvements.

### **YPP26/025 DISCOs**

Following the success of the events in the Autumn and Winter of last year, dates have been advertise for 2026/27. The first takes place on 18<sup>th</sup> September at Hollinswood Neighbourhood Centre from 6.30pm. TW Safer Stronger Communities are funding the DJ for two more events. The cost will be £3 and free drinks will be available. More parent helpers will be needed (enhanced DBS checks can be arranged).

### **YPP26/026 WINTER EVENT AT THE MUDDY**

A date will be arranged in the February half-term. Ideas for activities are welcome – this will appear on the Events Agenda for further consideration.

### **YPP26/027 DATE OF THE NEXT MEETING**

**25<sup>th</sup> January 2027**

**7pm**

**On Zoom**

There being no further business, the Chairman thanked everyone for their important contributions and closed the meeting at 7.25pm
