The Parish Council Response to The Community Governance

Review Proposals.

At the Full Council meeting on Monday 19th May 2025, Hollinswood & Randlay Parish Council formally resolved to **OPPOSE** the Telford & Wrekin recommendation, which is to **merge** our Parish Council with Stirchley & Brookside Parish Council.

There was a lengthy debate about the proposal which Councillors believe will create a parish council which is too large and will result in communities losing their identities. There was further concern regarding the reduction in number of Parish Councillors and the change of name of the council – both of which bring into question local representation and democracy.

YOUR VIEWS DO MATTER

The Parish Council strongly urges everyone in the parishes to respond to the consultation – the Telford & Wrekin Council Boundary Review Committee confirmed that the final decision will be based on the public opinions collected through this consultation process. Visit our website for the links to make your views known and/or visit our info stall at Fun Day where you will be able to write your reply.

2 drop in session sessions have also been arranged - Randlay 6th June & Hollinswood 13th June, both from 2.30 - 6.30pm in the community buildings.

Chairmans Message

Welcome to our new 'council' year. First of all I would like to thank all the residents who support our work, and events, and especially those who volunteer in helping us to keep our parish clean, tidy and litter-free. Also, I want to urge everyone to think about where we live and work - treat it with respect and don't drop litter (or fly-tip), park in accordance with the highway restrictions and look after your neighbours.

You will see in the newsletter that there is a proposal being consider by Telford & Wrekin Council, to merge our parish with Stirchley & Brookside. It is vitally important that you have your say – please take time to respond to the consultation.

Also included are the names and contact details for our Parish Councillors and details of upcoming events – everyone welcome, they are free to attend and we look forward to seeing you there.

Councillor Sheenagh Unwin.
